

# 31° International Congress Of Electronic Engineering

INSTITUTO TECNOLÓGICO DE CHIHUAHUA  
October 7-9, 2009  
Chihuahua, Chih., México

## TECHNICAL AREAS

- *Digital Signal & Image Processing*
- *Biomedical Systems*
- *Computer Vision*
- *Digital Systems*
- *Computers*
- *Optics and Optoelectronics*
- *Microelectronics*
- *Instrumentation*
- *Data Bases and Distributed Systems*
- *Monitoring and Control Systems*
- *Automation*
- *Automatic Control*
- *Communications*
- *Intelligent Systems*
- *Power Electronics and Industrial Applications*
- *Electric Power Quality Issues*
- *Robotics*

Tel: (614) 201-2078  
Ext. 19 or ext 10  
Fax: (614) 201-2000  
Ext. 112  
or  
(614)201-2020

## CALL FOR PAPERS

Sponsored by the Graduate Studies and Research Division of the **Instituto Tecnológico de Chihuahua (ITCH)**. ELECTRO 2009, to be held in Chihuahua, Chihuahua, Mexico, is an international congress for presentation of technological advances and research results by engineers and scientists working on electronics and computers.

### SUBMISSION PROCEDURES:

Prospective authors are invited to propose in any of the technical areas listed. To submit a proposal, prepare a **2-3 pages**, extended abstract of the paper including figures and references. Emphasize the objective, development, results and/or conclusions, and originality of the work. Send the extended abstract and a cover sheet stating the (1) Paper title, (2) Technical area(s), (3) Contact author's name, (4) Address, (5) Zip code, (6) telephone (7) Fax number, and (8) electronic address in a PDF file to:

[electro@itchihuahua.edu.mx](mailto:electro@itchihuahua.edu.mx)

Papers must include a technical area to be considered for evaluation.

**Important:** Those interested in organizing an invited session, please contact the organizing committee to know about available support.

Selected papers will be published in the Proceedings of ELECTRO 2009, which is registered as a serial publication in the International Standard Serial Number (ISSN 1405-2172).

### SCHEDULE:

Paper abstracts due:	<del>April 30, 2009</del>	May 22, 2009
Notification of Acceptance:	<del>May 29, 2009</del>	June 26, 2009
Camera-Ready Papers:	<del>July 3, 2009</del>	August 14, 2009
